The long and winding road that leads me to your door
will never disappear — I've seen that road before.
It always takes me here; brings me to your door.

John Lennon & Paul McCartney

I don't know who I am
But life is for learning.

Joni Mitchell

If you smile at me, I will understand
'Cause that is something everyone does in
the same language.

Steven Stills

If you could read my mind . . .
What a tale my thoughts could tell.

Gordon Lightfoot

Of all the people in my past / Fading faces in a waking dream
And though they never seemed to last very long
They are faces I remember/ From the places in my past.

James Taylor

And the seasons, they go round and round
And the painted ponies go up and down.
We're captives on the carousel of time.
We can't return, we can only look behind
From where we came.

Joni Mitchell
